

A.R.P. Warden's Duty Checklist

- 1. Each warden belonged to a 'post' that looked after about
500 people in a city
 - 2. They handed out gas masks and air raid shelters for the home
 - 3. They organised public air raid shelters
 - 4. They warned people of an air raid by sounding a siren
 - 5. They helped people get into air raid shelters
 - 6. When the danger was past, they sounded an 'all clear' siren
 - 7. They were trained in fire-fighting and first aid and
were usually the first on the scene
 - 8. They reported fallen and unexploded
bombs, bomb damage and other dangers
 - 9. They made sure everyone obeyed night time
'black-out' regulations
-
